Dear colleague,

NALC & BHIB - WORKING TOGETHER TO HELP YOU PROTECT COMMUNITIES

I am pleased to announce that we have agreed a new partnership with insurance brokers BHIB Ltd to provide tailor made support to local councils.

BHIB is the preferred partner of Aviva, the long-standing insurance provider in our sector, and chosen to replace Aon. Aviva has confirmed their ongoing support and involvement with NALC and has endorsed and confirmed their confidence in BHIB.

In the current climate with local councils providing an ever growing range of services it is more important than ever to have sector experts we can rely on who can support our endeavours and arrange the right protection for councils delivering services and representing communities. I am confident that a strong tripartite relationship between Aviva, BHIB and NALC will deliver this for you.

BHIB is one of the UK's leading independent commercial insurance brokers and has a proud history dating back over 50 years, during which time they have delivered bespoke insurance programmes and advice to the public, private and charity sectors as well as membership organisations. This includes a specific focus on providing solutions and exceptional client service at all times.

NALC's Chief Executive, Jonathan Owen and I have had extensive discussions with BHIB colleagues and visited their impressive Leicester based operation. NALC and BHIB will be meeting regularly and working closely together, with the support of Aviva, to gain deep insight into the challenges and issues councillors, councils and clerks face and deliver insurance solutions that genuinely meet the needs of the local council sector.

SS Baxter.

Yours

Cllr Sue Baxter
NALC Chairman
